GRAND UNIVERSE LUCCA, AUTOGRAPH COLLECTION OPENS ITS DOORS

The highly anticipated, **Grand Universe Lucca, Autograph Collection** has opened its doors. The 55-guestroom boutique hotel, complete with nine unique suites, joins the diverse and dynamic portfolio of close to 200 independent Autograph Collection Hotels around the world that champion values of vision, design and craft.

Previously a Palazzo of the Paoli family during the Renaissance, the site was originally transformed into a unique hotel in 1857, which became famous for hosting poets, philosophers and artists from around the world. Now, the hotel opens its doors to a new generation after a multi-million-pound renovation led by Archea Associati S.r.l, restoring the hotel to its ancient glowing splendour. The hotel's past lives on in the present, with features including the existing wall foundations dating back to Roman times and the ancient glassblower's fountain remnants in the cellar.

In addition to showcasing the historic locale through the hotel's interiors, Grand Universe Lucca, Autograph Collection offers a traditional Italian restaurant Legacy, serving local cuisine accompanied by fine wines. At the rooftop bar Sommitá, guests can enjoy a digestivo named after great personalities of the city along with panoramic views of Cattedrale di San Martino and beyond. In the wine cellar Eterno, guests can take part in private wine tasting sessions, set among the remnants of ancient artefacts, a nod to the hotel's journey through the ages.

“We are delighted to expand our offering of one-of-a-kind hotels in Italy, and our debut in the charming city of Lucca,” said Jenni Benzaquen, Vice President, Brand, EMEA, Marriott International. “Grand Universe Lucca is a unique jewel in the stunning city and Autograph Collection Hotels' independent spirit is the perfect fit for the hotel's next chapter.”

Grand Universe Lucca, Autograph Collection also introduces several signature offerings, from private cocktail classes with the hotel's head mixologist, to wine tastings of some of Tuscany's most famous grapes. For a truly unique experience, guests can visit the Symphony Lounge to unlock their own theme song with the ‘Prelude of Existence’ experience. Here the hotel's composer will create a personalised Prelude, crafted to reflect the guest's personality. Upon special request, the music notation will be rolled and tied with a silk ribbon, placed inside a cylinder glass capsule engraved with the phrase “from here to eternity” and stored in a Tuscan leather box – a symbolic token of the stay in Lucca.
