

The Eye of an Artist

Flying squirrel

Tuscan refuge

Barga, Via della Fornicetta

Jan Donnelly grew up in rural Wales and Lancashire and also lived in Somerset for many years. Now residing in a very rustic part of Tuscany, she is influenced by the beautiful countryside as well as being mesmerised by faces whether human or animal.

Mostly self taught, she can usually be found in her garden painting, as well as in her creative studio. To commission a painting by Jan, contact her at jan@redjanart.com
